

Verification of certificates issued after September 1992

Umalusi is primarily responsible for quality assuring qualifications in general and further education and training and certifying successful candidates who have completed adult, school and vocational education and training by issuing the following certificates:

- Senior Certificate
- National Senior Certificate (FET colleges)
- National N3 Certificate
- Subject certificate
- General Education and Training Certificate
- Training Certificate
- Learning Area Certificate
- National Certificate (Vocational) Level 2 – 4
- National Senior Certificate (Schools)
- Subject statement

Umalusi's certification responsibility

Umalusi is responsible for all certificates issued since September 1992 by the former South African Certification Council (SAFCERT) and by Umalusi.

Umalusi maintains a secure database to ensure that up-to-date candidate records of certificates issued is maintained.

Verifying certificates

Because Umalusi issues these certificates, it is also Umalusi's responsibility to verify their authenticity and to confirm certification to prospective employers, and to institutions of learning or the workplace.

How to go about verifying certificates

INDIVIDUALS

Umalusi does not work directly with members of the public with regard to verification services.

Individuals should apply through a verification agency for verification of a certificate.

Should you have any queries regarding this service, please contact us on:

(012) 349 1510

verification@umalusi.org.za or visit our website: www.umalusi.org.za

COMPANIES

Should a company require a verification service, the company should contact Umalusi directly. The possibility of signing a contract can be explored.

World Education Service Verifications/ Overseas Institutions

Individuals requiring the verification of qualifications for the World Education Services or for overseas institutions should please contact Umalusi directly at :

verification@umalusi.org.za or telephone 012 349 1510 for particulars on how to go about this.

Statement of Results (SOR)

If the person's certificate has not yet been issued, then the Provincial Department of Education should be contacted for the verification of the person's Statement of Results.

Please note that the certificate replaces the statement of results. Umalusi can verify your certificate once it has been issued.

Please note:

Agencies charge varying fees for verification services. You are therefore advised to request prices from more than one agency before requesting the verification of qualifications
