## OPEN LETTER TO APPLICANTS INDEPENDENT SCHOOLS

Dear prospective applicant for accreditation

### 1. Application Process

Umalusi accepts applications for accreditation from registered independent schools offering the National Curriculum Statement in Grades 1 to 12, leading to the National Senior Certificate.

The accreditation process is as follows for a new applicant:

	Step in Process	Explanation
1.1	Letter of intent to apply for accreditation	<p>a. An Independent School completes an online "Letter of Intent to apply for accreditation" (LOI) found on the Umalusi website: <a href="http://www.umalusi.org.za">www.umalusi.org.za</a> "Accreditation for Private Providers";</p> <p>b. An invoice for processing of the LOI is generated on the online system and can be printed from the system;</p> <p>c. Once payment is verified, Umalusi screens the applicant's expression of intent and approves or rejects it or requests further information.</p>
1.2	Attendance of a Quality Promotion (QP) Meeting	<p>a. All applicants must attend a compulsory online Quality Promotion (QP) meeting prior to completing their self-evaluation report (application). These meetings are meant to ensure that applicants are fully aware of:</p> <ol style="list-style-type: none"> <li>i. How to complete the self-evaluation (which constitutes an application);</li> <li>ii. The evidence required;</li> <li>iii. An overview of what to expect for the site visit (a pre-site visit meeting will be held closer to the time of the site visit);</li> <li>iv. Fees applicable and payment methods.</li> </ol> <p>b. Attendance of these meetings will be per invitation only. Applicants will be informed of the date and, once confirmation of attendance has been received, will be sent a link to join the online meeting. Only the applicants who have submitted their online intent to apply for accreditation, and whose letter of intent has been accepted, will be invited.</p> <p>c. After attendance of the QP meeting, the applicant will be granted access to the online self-evaluation instrument and will be invoiced for the submission of the self-evaluation report.</p>

	Step in Process	Explanation
		d. Applicants will also be granted access to the application guideline document that clearly explains in detail what is expected, particularly in terms of the evidence required.
1.3	Submission of online Self-Evaluation report (E&A IS 5A) and Portfolio of Evidence	<p>a. Once the self-evaluation invoice has been paid and payment verified, applicants will be able to submit their self-evaluation report and the required evidence online by uploading on Umalusi's online system.</p> <p>b. If the required evidence is not satisfactorily submitted, the self-evaluation report will be returned to the applicant to rework and resubmit with the correct evidence. An additional fee is payable on each re-submission.</p> <p>c. Only two resubmissions will be permitted.</p> <p>d. If there is no improvement after the second resubmission, the entire submission will be rejected. The applicant will then be required to make a new application and pay for the new application from the beginning of the process. On reapplication there will be no access to the documents previously uploaded.</p> <p>e. A school must submit the self-evaluation report meeting the required standard by 31 August of a particular year in order to be reported to the provincial departments of education and assessment bodies as being compliant with Umalusi's processes for the following year. Reapplications will be dependent on the school meeting the minimum requirements for accreditation to be indicated as being compliant with Umalusi's processes.</p>
1.4	Site verification visit	<p>a. Once the self-evaluation report meets the minimum requirements the applicant will receive an invoice for the next phase of the accreditation process, which is the site visit. This may be online or a physical site visit.</p> <p>b. An unannounced confirmation physical site visit may take place after an online site visit.</p> <p>c. A site visit will only take place once the requisite site visit fee has been paid.</p> <p>d. Applicants who request a delay of the site visit will retain the status of "unaccredited" until such time as they are found to be compliant with the accreditation criteria.</p>

	Step in Process	Explanation
		<p>e. A delay in the site visit (caused by the school) of more than 6 months will lead to the lapse of the application, with no refund of costs, and no access to the documents previously submitted.</p> <p>f. An online pre-site visit meeting will be held prior to an online site visit. The programme for the site visit and all logistical requirements will be explained during the pre-site visit meeting.</p>
1.5	Accreditation report submitted to the Accreditation Committee of Council (ACC)	<p>a. After a site visit, a consolidated report will be presented to the Accreditation Committee of Council (ACC) for consideration of the outcome of the application. This ensures that the accreditation process is fair and that the decisions are consistent with the evidence found.</p> <p>b. The decisions which can be made are:</p> <ul style="list-style-type: none"> <li>• accreditation</li> <li>• 2 years provisional accreditation</li> <li>• Does not meet the requirements – window period to improve</li> <li>• No accreditation (after provisional accreditation or a window period to improve)</li> </ul> <p>c. The criteria for accreditation are indicated on Annexure A (page 6).</p>
1.6	Correspondence sent to schools for which the ACC recommends “a window period to improve” or provisional accreditation for the initial application	<p>a. Schools which do not meet the minimum requirements for accreditation will be notified of the areas which were found not meeting the requirements at the presentation of the report to the ACC and the time period that the school is granted to meet the minimum requirements for accreditation. At the point of re-evaluation, the school must meet the minimum standards in all criteria, not only those listed in the feedback report.</p> <p>b. An additional fee is payable for evaluation of evidence following provisional accreditation or a window period to improve.</p> <p>c. An unannounced or online follow-up site visit may be conducted to verify the new evidence submitted.</p> <p>d. An unannounced confirmation site visit may follow an online site visit.</p> <p>e. Non-submission of the required evidence or non-payment of the required fee within the specified time period, will lead to a final “no accreditation” decision.</p>

	Step in Process	Explanation
		<p>f. After verification of the evidence submitted, the report will again be presented to the ACC for consideration.</p> <p>g. <b>Note that at the time of review, <u>all</u> accreditation criteria must be met.</b> That means, if criteria were met at the first presentation of the report to the ACC, and were therefore not stated as areas needing attention, but the standards drop and the school no longer meets the criteria at the point of review, the school will be considered not compliant in those areas when making a decision on the outcome of the application for accreditation.</p>
1.7	Decision by the CEO	<p>a. Once the Chief Executive Officer (CEO) has approved the recommendation of the ACC the outcome will be communicated to the institution by means of a letter.</p> <p>b. An appeal process is in place should the applicant wish to appeal the outcome of the decision, based on evidence available at the time of the application.</p>
1.8	Monitoring	Umalusi will monitor accredited independent schools.

## 2. Payment of Invoices

- a. The fees for the accreditation process are indicated on Annexure B (page 9) of this letter.
- b. Payment must be made per step of the accreditation process. This means that payment for each step must be made before the next step can take place.
- c. No step will be executed before the amount the applicant is invoiced for is settled.
- d. Umalusi will not refund any payments made towards an executed step. Should an institution wish to cancel their application, there will be no refund. We therefore appeal to institutions to be sure about their application.
- e. Invoices issued for any step of the process must be settled within 3 calendar months. Failure to do so will result in the rejection of the application irrespective of the step at which the applicant is.
- f. Applicants whose invoices were not settled and their applications rejected will be required to re-apply for accreditation at full cost to the applicant. There will be no transfer of funds from previous applications that have been rejected. The applicant will not have access to documents already submitted in the case of the rejection of an application.

### 3. Reporting of accreditation status

- a. In line with the requirements for registration of schools as examination centres, Umalusi is required to report the accreditation status of schools to the Provincial Education Departments and the Private Assessment Bodies. To this end, Umalusi will submit such a report to all the assessment bodies on the stage in the accreditation process of a school as at 31 August of that year. The stage reported will remain as such for the purposes of the Provincial Education Departments and Private Assessment Bodies for the following academic year.
- b. Accredited independent schools will receive a letter of accreditation and an Accreditation certificate.
- c. Accredited independent schools will be indicated on Umalusi's website, [www.umalusi.org.za](http://www.umalusi.org.za).
